REFERENCE # GSM613

Opportunity: ACQUISITION

Premier Lighting MFG, Big Box and

e-commerce

This opportunity is a manufacturer and provider of premium lighting products manufactured from architectural/commercial grade materials, primarily copper and brass. The products are sold to an upscale consumer through professional contractors and big box retailers.

Over the years, this company has evolved into a national manufacturing company supplying a select network of dealers and installing contractors throughout the United States as well as the trademarked branded program found through e-commerce divisions of big box retailers.

The company also sells products through a few international dealers in Europe and the Middle East.

Opportunities:

Numerous opportunities and roads to next level growth include Dealer Growth, Retail Growth, New Dealer Channel, Private Label Opportunity, and New Products.
