

REFERENCE # GSM811

Opportunity: ACQUISITION

Medical/Pharmaceutical Consulting Firm

Business:

A medium-sized consulting/contracting firm for the medical device and pharmaceutical industries. The company offers a full array of services in all areas of quality assurance, regulatory clinical affairs. This company quickly moved into consulting and contract work, which steadily expanded to become main focus. From a small team, the company grew into a global network of consultants with a vast range of expertise. With a 17-year history and excellent service metrics, the company is well positioned for growth in the US and globally.

Opportunities:

Few of the company's competitors offer a full range of services with proven service metrics. The company supplies their clients with technical expertise, availability, and competitive rates.

Market Currently Served:

Currently serving clients throughout USA.
