Tennis Courts & Golf Courses Branding MFG

Business:

Expandable, Innovative, Sports Marketing/Manufacturing Company for Tennis Clubs and Golf Courses both Nationally and Internationally.

The product side of the business has been the primary focus of the company. The sponsor side, though, has the biggest opportunity for recurring revenue and larger financial commitments by companies who want to reach the tennis community through a unique, on-court approach.

Patent issued in 2017! The business needs professional marketing and sales for rapid expansion. Over 400,000 tennis courts just in the United States!

The business is relocatable to anywhere in the United States. Be the owner of a sports related expandable and fun business. Owner open to reasonable offers and perhaps partnership, Call for more information

KEY FEATURES:

- Excellent client base including; Duke University, Minnesota University, University of Tennessee, West Side Tennis Club at Forest Hills, USTA-Billie Jean King National Tennis Center (NY), USTA National Campus (FL).
- Company has established itself as the premier market leader with no other product in the U.S. like their patented court dividers.
- Established excellent relationships with suppliers and has created contingency plans to decrease potential supply chain events.
- Produces and sells custom logo court number signs and net signs that provide facilities with additional branding opportunities. Their goal is to become the “go to” company for custom tennis court branding. With the unique, strategic and highly visible branding court dividers offer, combined with the other custom branded tennis court products. Company has built a solid foundation in achieving that goal.

Opportunities:

National opportunities, 80% or more of the 400,000 tennis courts in the U.S. have no fence or partition separating the courts. Expand presence and coverage within the USA. Global opportunities, once the foundation is solidified in the USA. The opportunity, though, is how much untapped potential and market there still is to claim and secure in this space.

Real Estate:

Operates in a 2,000 square foot facility. An additional 9,000 square feet of office and storage space is available on the premises.

Market Currently Served:

USA.
